

COMMUNITY RESPONSIBILITY AGREEMENT

In order to keep the Orlando Village community safe, all residents must adhere to the agreement of community responsibility below.

The agreement includes the use of face coverings, rules about physical distancing and the importance of holding one another accountable. These are steps that everyone — tenants and staff — agree to take as we face this virus together.

Before you arrive on site to collect your keys and move into your room, you will be required to send an email to info@orlandovillage.co.uk to confirm you have reviewed and understood this policy.

Orlando Village Community Responsibility Agreement

Orlando Village is a student accommodation committed to supporting the health and safety of all members. We believe we do our best work when we feel safe. In the midst of the COVID-19 pandemic, it is therefore vital that all community members engage in behavioural public safety measures intended to mitigate the spread of the virus. In so doing, we show compassion and concern for those who are most susceptible. By taking up a tenancy at Orlando Village, you commit to the following:

Physical distancing

A distance of at least 6 feet is expected in all spaces other than in your flat with your flat mates (household bubble), when feasible. This includes hallways, common areas and outdoor spaces.

Face coverings

Face masks/coverings must be worn by all staff and tenants when in shared indoor spaces (not including your flat or bedroom) such as hallways and common areas. Face coverings are also required outside when you are less than 6 feet away from others.

Respiratory etiquette

Proper covering of face when coughing or sneezing is expected at all times.

Proper hand hygiene

including frequent washing with soap and water and/or the use of hand sanitizer, is expected.

COVID-19 signage

All posters and signs regarding hallway and stairway directions, room capacity limitations and other notices, is to be followed at all times.

Reporting of symptoms and isolation

When necessary, all staff members and residents are expected to report symptoms and follow isolation and/or quarantine guidance from medical officials.

As the state of the pandemic is fluid, modifications to these guidelines may occur over time. Orlando Village will provide consistent, ongoing communication regarding any changes in behavioural guidance.

Thank you in advance for doing your part to keep Orlando Village safe and healthy as possible.
